SCOTT M. GLEAVES

Scott, to a dedicated non-conformist I grew to hate in study hall. Destiny, of course. Either way, it's been interesting. stay away from army. She might influence you. The way she did me. Have fun this summer. Just remember, I always welcome corrupt activities so if you get the urge, call me up & we'll raise heaven. Good Luck anyways.

Scott,
Thanks for making this year a little bit more bearable. Remember the fun times on "The Hobbit" and "Annie". Good luck in what you do and have fun.

Elsie/Suzanne

You have a very nice, memorable Annie's (and all that other stuff) going, Well, I'm glad you're a part of it! Congrats, you've made it! Good luck when you're a senior like the rest of us! Good luck for next year!
Slatemania

Hey Scott!
You know what?
We made it. Only a few days
of being immature high school seniors
left. You've been a really great friend these
few years although there were times you were
a little strange. Hey, remember, all of the good times
we had in study hall, homeroom, Bacon's health class, etc.
Don't forget, I'm still out to get all of your Beatles albums and your car.
I love that car even though it broke down at MacDonald's that one time.
I really hope some of your jokes improve and some of them remain as funny as
they have always been. Here's a tip, grow your beard back, you look a little
bit older and your cheeks aren't so chubby. Can't wait to go out cruisin with Laura
and me, I bet, huh? Well, anyway, I hope we have some of the times we had were fun. I hope we
get to have some more. Keep in touch. This summer and stay out of trouble.
to egg too many houses! cars! whatever!!
Love ya lots,
Pam K.I.T. 862-3466

Well have a great summer
you take care of yourself.
I hope to see you around
sometime.
Your friend

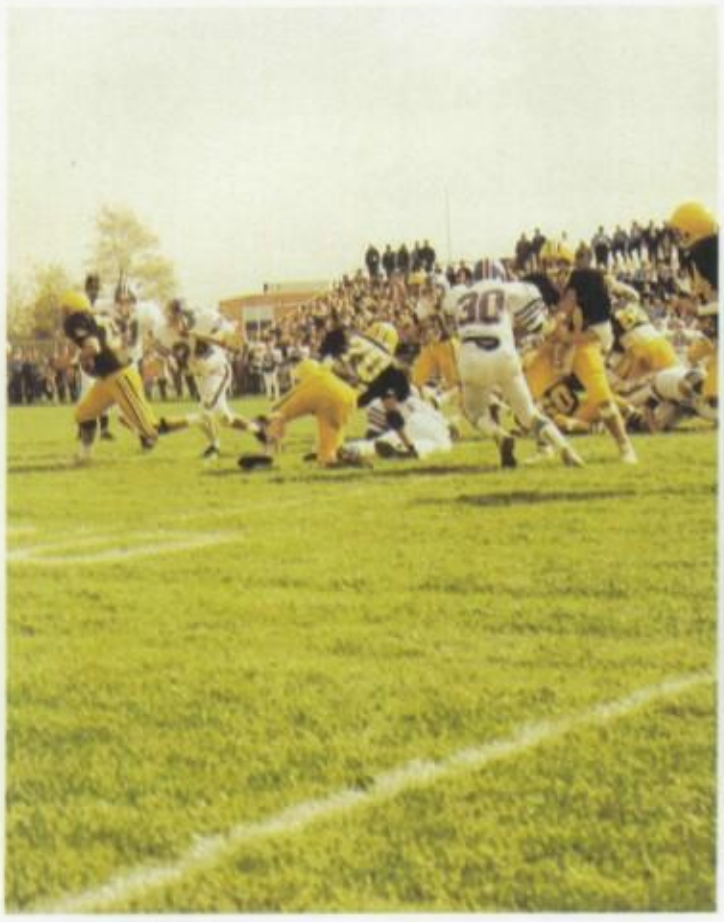
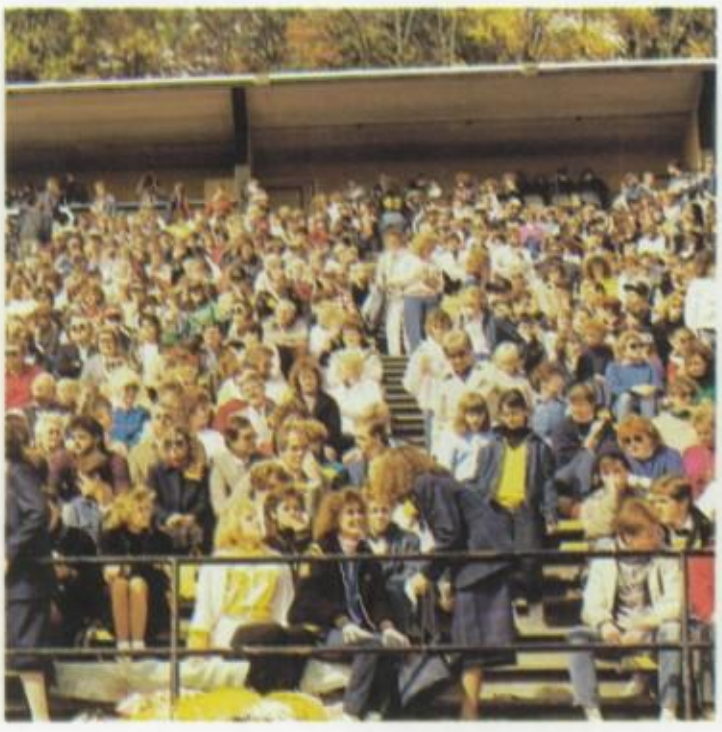
AUTUMN MEMORIES

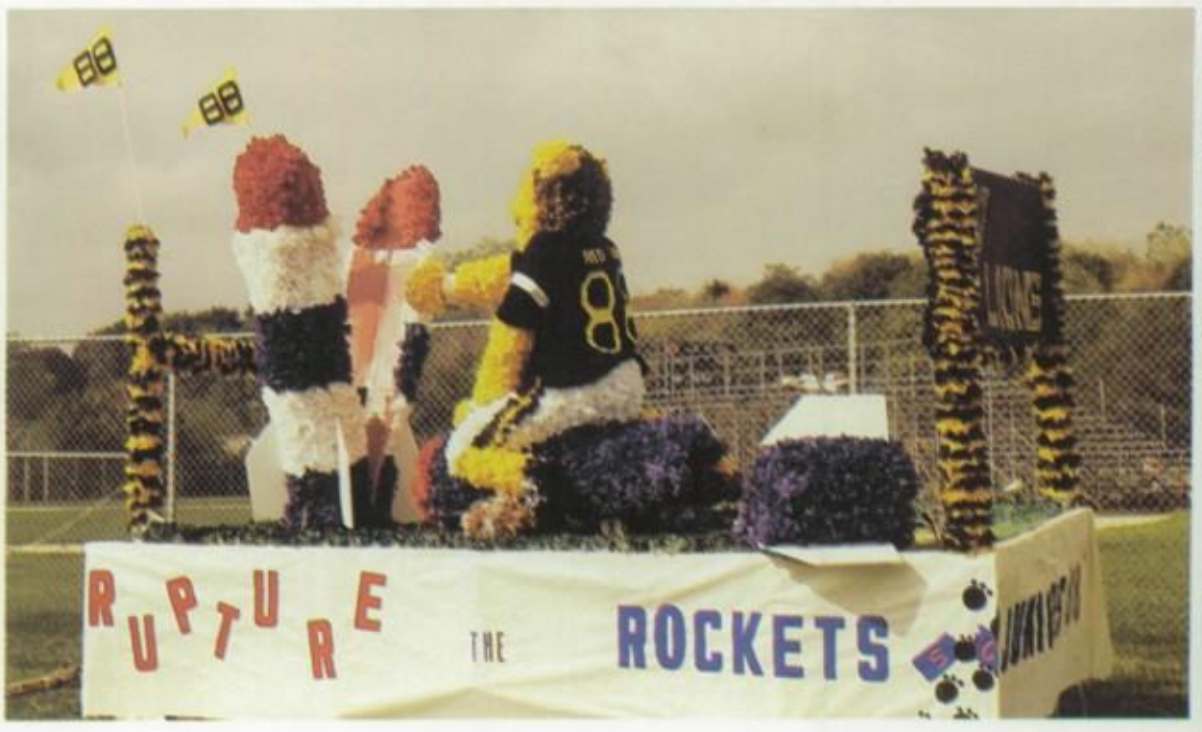
Homecoming "86" was a weekend which will forever remain in our memories. The weekend began with the cancellation of Red Lion's traditional Homecoming parade and pep rally, thus disappointing many especially the class of "87."

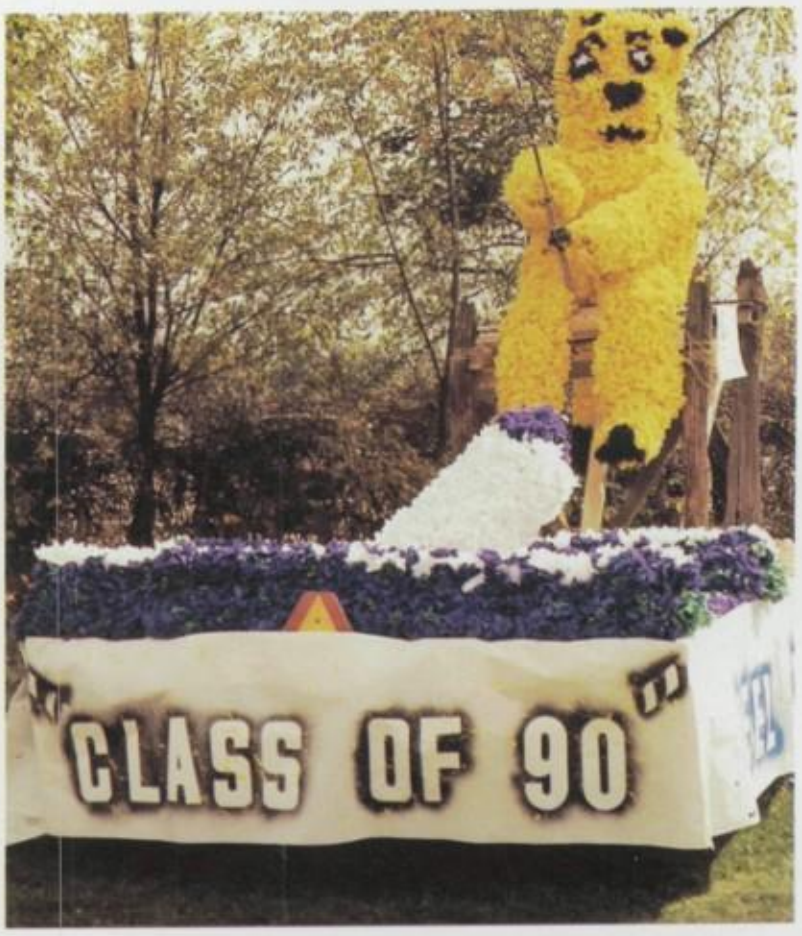
The next day, Oct. 18, brought the Homecoming spirit back on a cold and windy day. Kate Sweeney was crowned our queen and gave an unforgettable speech when announcing that the seniors won the float competition. "Victory in the air" was also victorious on the ground!

Homecoming is a special time for us all, but one that each senior class will treasure forever.









CLASS OF 90

CLASS OF 89
ROCK THE ROCKETS

FLOWER POWER

Float Construction began approximately 7 days before the great Homecoming weekend (not to mention the flower parties). The classes put forth expert effort into their creations.

The freshmen Construction site was at Amy Myers'. The Sophomores and Juniors were on Waltemyers Farm, and the Seniors was at Amy Ludwig's barn. Even though the construction sites were scattered all over Red Lion the raidings (we won't mention which class) on other floats still continued.

The strenuous work, late nights — almost till 2:00 a.m. and sore fingers, from twisting flowers paid off, for the Seniors. The Class of "87" once again won float competition — "Victory in the Air" was a victory!!

Henry went into everything 110. He was a natural leader and he led by example.

He loved scouts, always working hard for the troop and his personal advancement. He was a talented and dedicated soccer player. It would be hard to find someone who disliked him. He was outgoing and genuinely cared for people. When he was with someone, he was the most important thing at that point in time. Everyone felt Henry's caring.

Henry will never be gone, because he will always live in the hearts of those who knew him. All who knew him are better because of his example of dedication, hard work and caring for others. He loved life and enjoyed his friends, scouts, high adventure trips and learning things. His laughter and pranks still ring in our memories.

Henry Herrman was a lot of good things but most importantly he was a good friend.

It is the ambition of most people to leave some footprints on the sands of time. We can name many great ones whose fame shall endure as long as man remains on this planet, for their lives have contributed much to the benefit of their fellowmen.

We can't all be great and famous, but all of us can use what time and talents we have in the best way we can to help others and make them happy. This is to leave shining footprints for someone to follow.

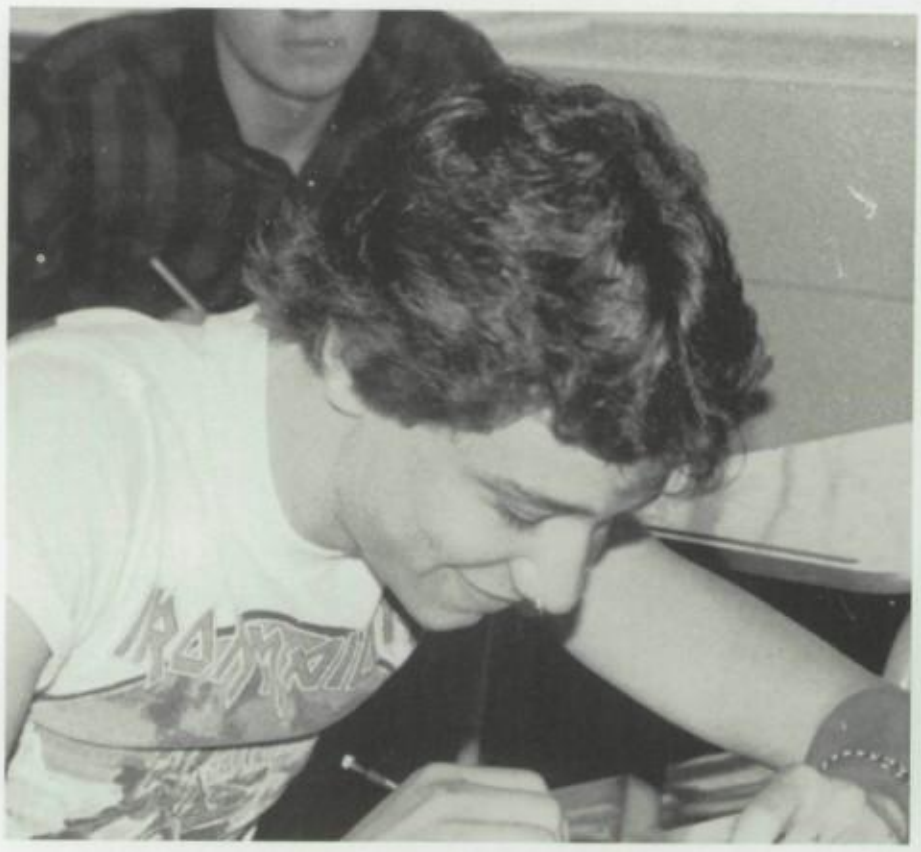
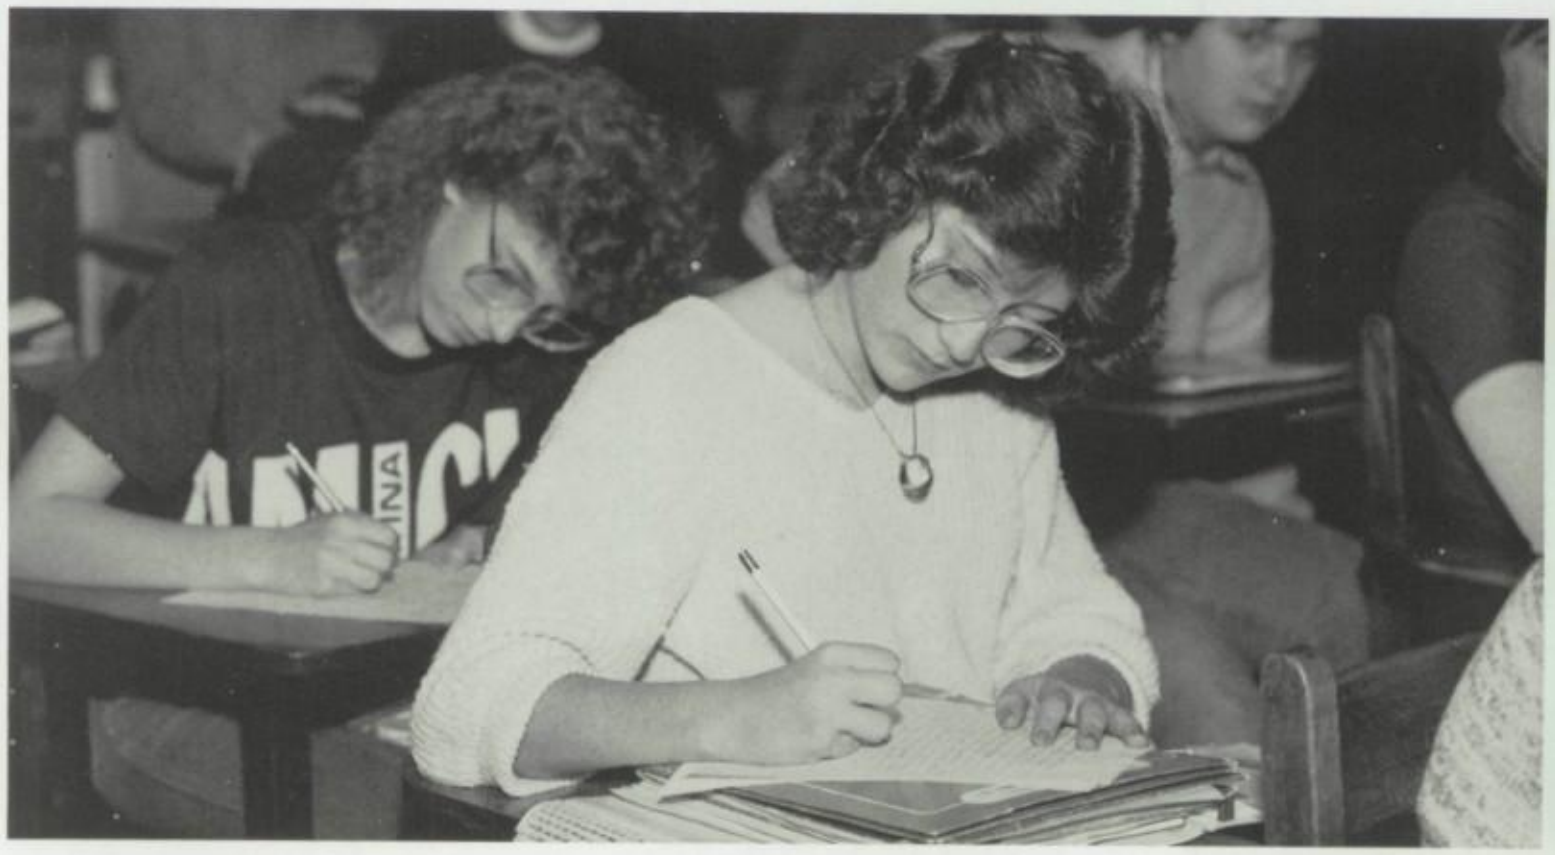
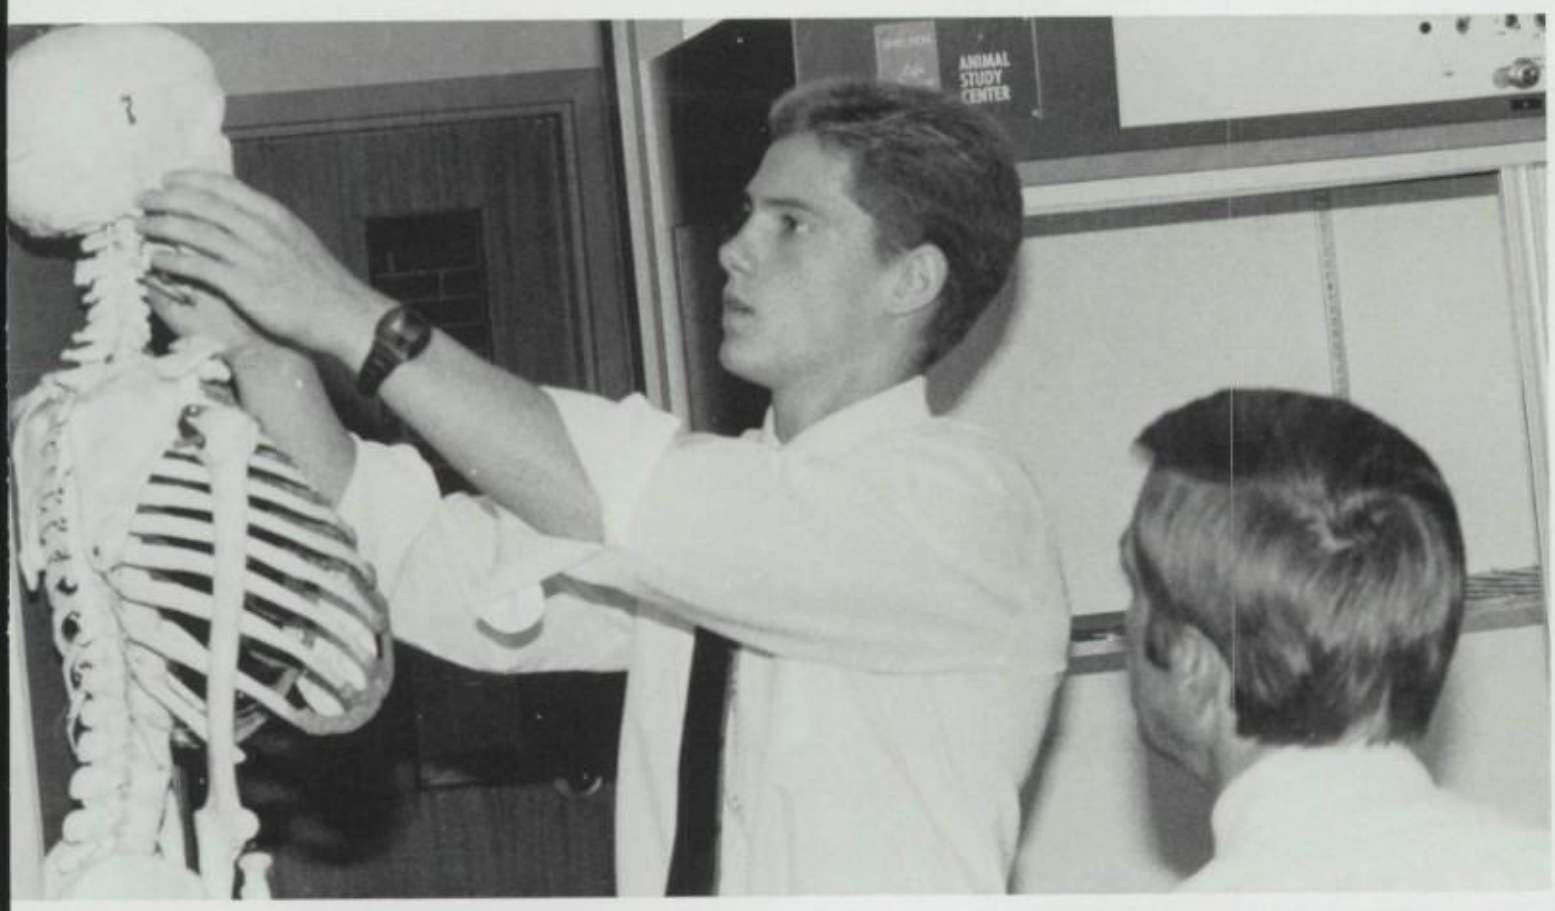
IT'S TEST DAY!



Tests, tests, tests. A student's ability and capability to learn and memorize is constantly being challenged by numerous tests and exams. At no one time are there more different kinds of tests given than during the years a student spends at high school.

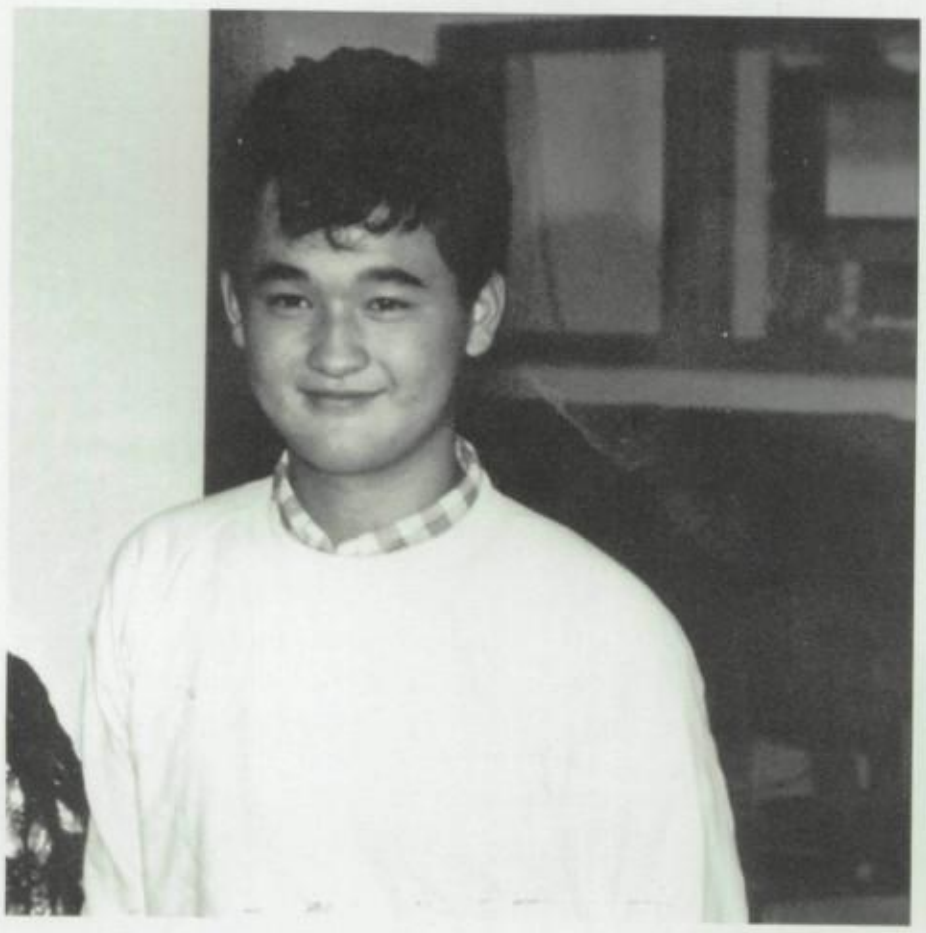




Another exam taken during the high school years was the driver's test. Most students were confident about their ability to drive but having to take the test at the police barracks made them all nervous. Somehow that state trooper sitting in the front seat didn't resemble mom or dad.

Finally, there was the overdreaded semester exam. At the end of 18 weeks we were supposed to remember what we learned, but the only thing we remembered, was what we forgot.

Whether we like them or not, we were subject to the terrible pressures of all types of exams. Each student, however, let out a sigh of relief when the weekend rolled around and they didn't have to worry about tests.



Miyako Takahashi is a sixteen year old girl from Tokyo, Japan.

Miyako likes Red Lion because it's a change for her, from her school in Japan, which is a strict, private girls school. Her reason for becoming an exchange student is because she would like to pursue a career as an English teacher.

East Meets West

Wataru Sonoyamo is a sixteen year old boy from Sagae, Japan.

When Wataru goes back to school in Japan, he will have 1½ years of school left before he is able to enter college. He would like to be either a science teacher or a salesman.

He wanted to see the United States, so that's why he became an exchange student.

Kirsten Weber is our foreign exchange student from Mechelstadt, West Germany. She is 17 years old. Her host family is Mr. and Mrs. Dennis Slenker, and LeAnn.

Kirsten has taken quite an interest in the American ways while being in the United States. At Red Lion she is in Stage Arts where she enjoys drawing. She was part of the tennis team but also loves to ski back home. Kirsten has also been south to visit Florida.

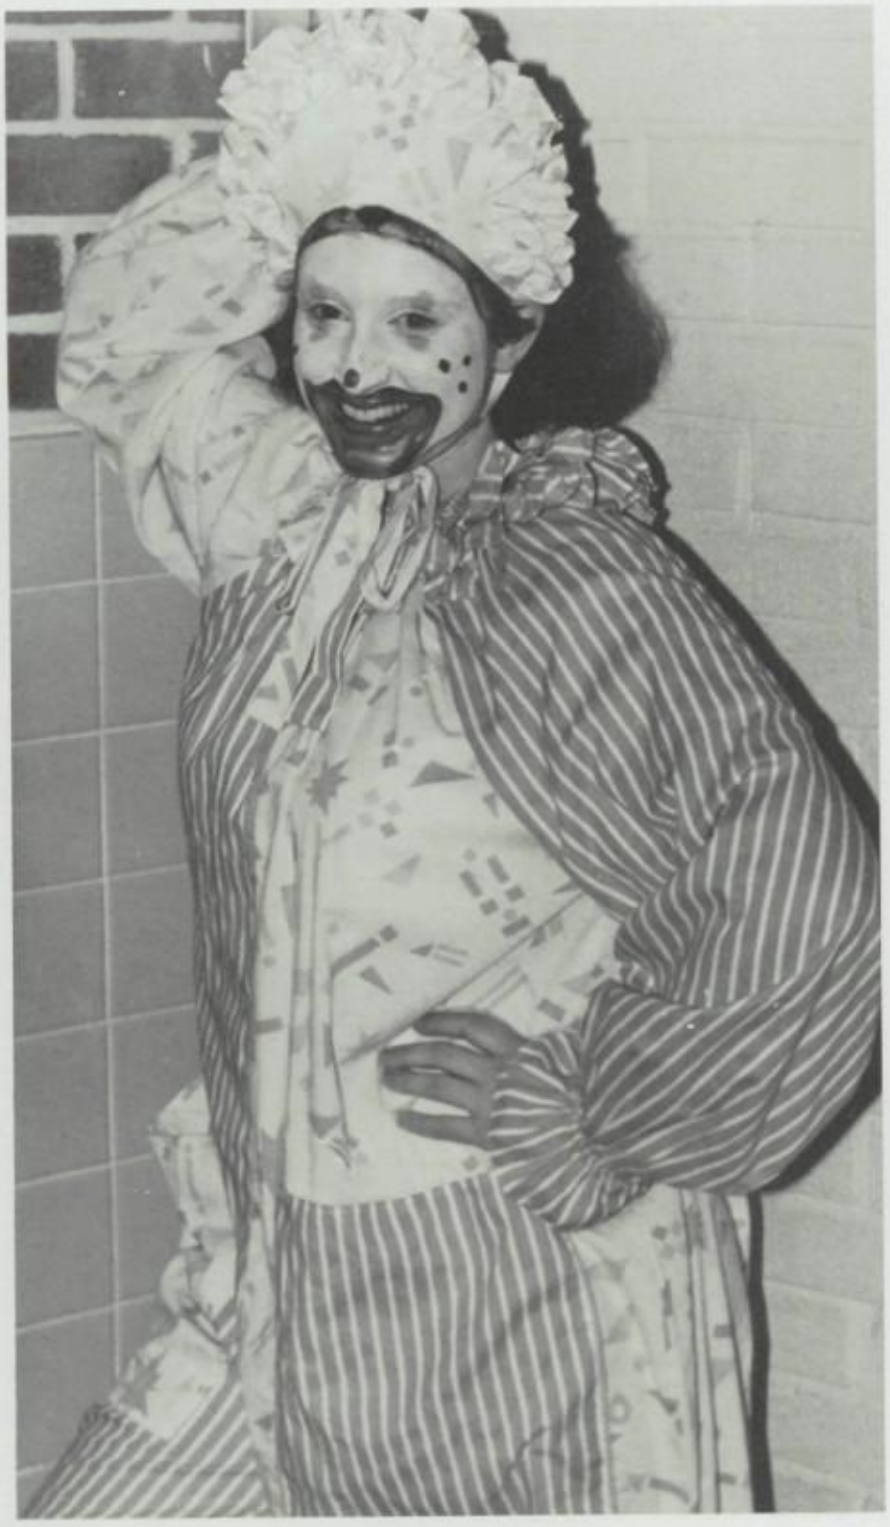
Special Events

For the holiday of orange and black Red Lion was filled with a mixture of odd creatures — anything from traditional ghosts to colorful M&M's. It is always fun to dress up but even if you don't you can always laugh at your friends. I mean, how often do you get to see a nun with the face of Groucho?



HALLOWEEN

THE HOBBIT

This year's Jr./Sr. Class play was based on a book by J. R. Tolkien called *The Hobbit.* It is an adventure story involving a homey hobbit named Bilbo Baggins who unwillingly is bullied into a quest for treasure by a wizard and a group of colorful dwarfs . . . The play was an enjoyable portrayal of all the problems that arose throughout their adventure.

A.A.R.P. DINNER

With the halls all decked out with tinsel and Santas, the whole school was set for Christmas and vacation!!! In the Red Lion tradition everyone dressed up for the occasion and of course we listened to music performed by the band and chorus.

Each year at Christmas time, the AARP from our community travels to the high school. While they are at the high school, they are treated with a meal served by the Student Council and with a concert given by the Symphonic Band. This is just one example of the service projects our high school takes on.

PEACE ON EARTH

. . .

Student life isn't all work. As you can see we can find time to goof off. In fact I think the farther you get to your senior year the more goofing off you do! Actually we the students work hard so we deserve to have fun with our friends. Besides we have to find out the latest gossip!

After all it's important that we know who's available and who is not, how hard the English book report test really was, or when the teacher will finally retire.

It's true our minds are a holder of information — but who's to say it's useful.

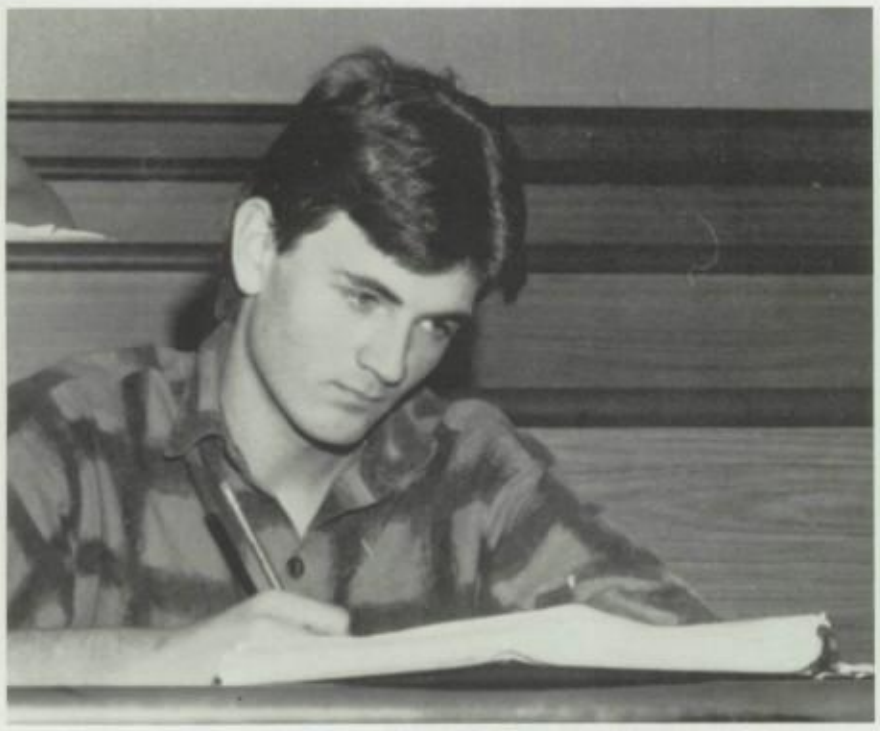
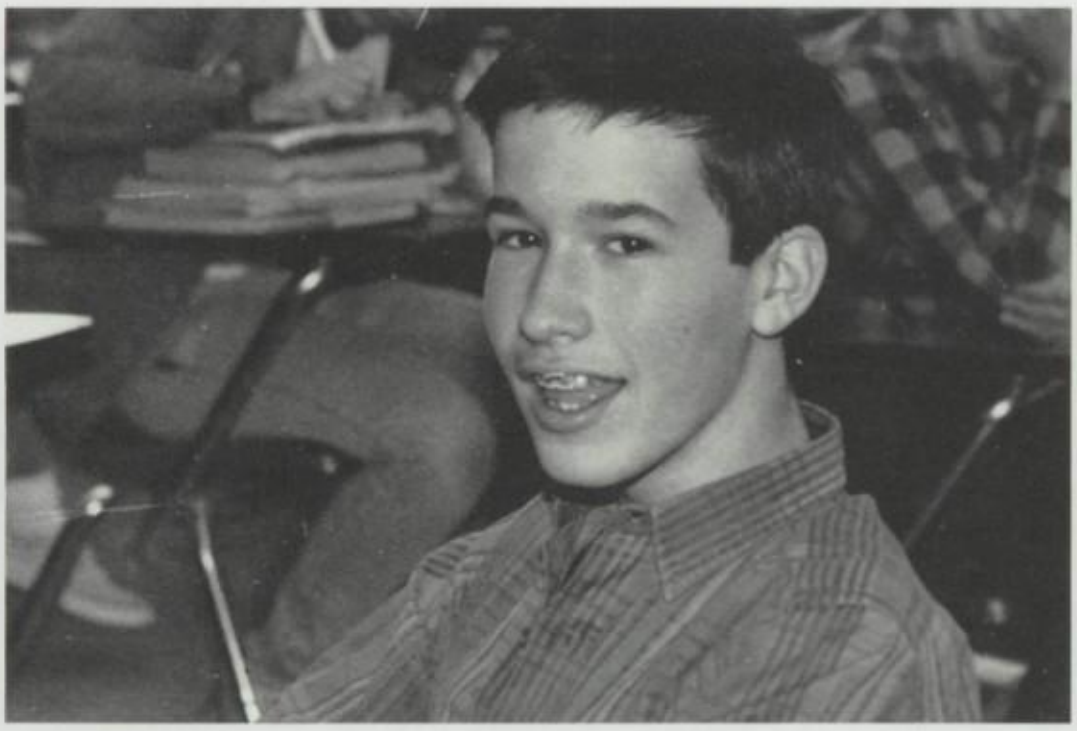
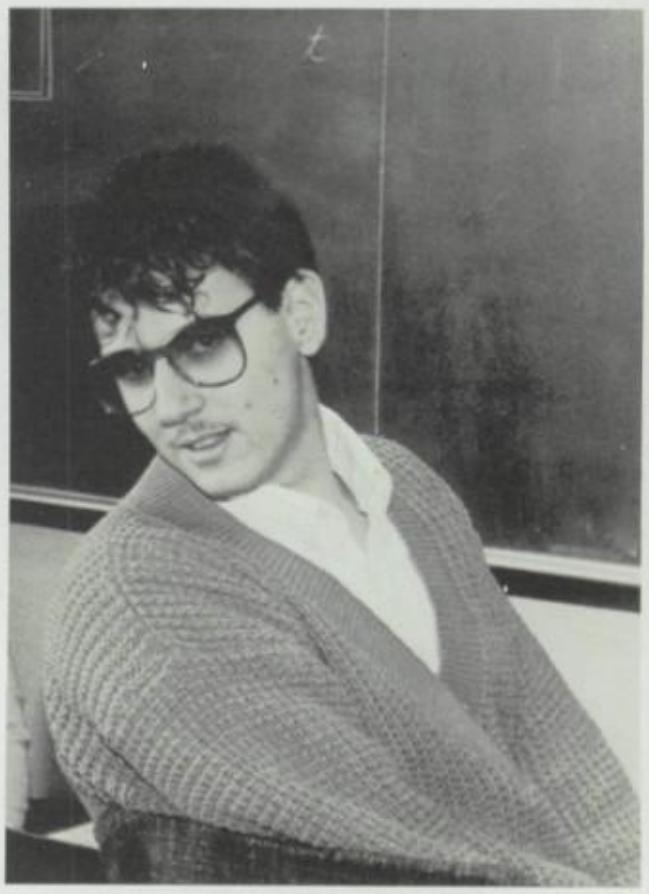
Friends are the absolute best thing about high school. They're the only thing that makes all the work bearable. Our school also provides many ways to meet them, from school dances to basketball games and it keeps us out of trouble.

The people who make up our school are not all alike. That is what makes everyone important. We all have something that is special about us, including friendships and relationships.







What can you say about the students at RLAHS? Well, they have their own opinions about almost anything that is being discussed. They have their own habits and interests, and they all have their own goals. In short, they are individuals. Students showed their habits and interests in various ways. Many admitted they still ate kid's cereals and almost everyone came down with the Monday morning blues. Trivial Pursuit was a common interest among students although different versions of the game allowed a wide range of choices. Students' goals varied greatly too. While some got involved in doing volunteer work, the majority tried to get out of doing as much work as possible. To this end, much energy went into creative ways of skipping. Just getting up in the morning proved to be a near-impossible task for some. Most of these goals were reached, to a degree, although nobody's perfect. Through it all, the students showed a remarkable ability to be themselves.

FEB. 14

To help celebrate, Student Council sold carnations. For your best friend — white; for your boyfriend or girlfriend — red; for the person whom you would like to get to know better — pink.

Lunch was a special menu of turkey, mashed potatoes, stuffing, and cranberry sauce. The crew of W.G.A.L. along with Wendell Woodbury added excitement to our noon time meal.

In our spare time we checked out the Leonid to see if our sweetheart sent us a "Love Line." For many it proved to be a HAPPY VALENTINES DAY!

"For what the girl's tennis team lacked in experience, they certainly made up for in determination, hard work, and the desire to win.

Even though our record was not a winning one this year, we should benefit from all that we gained in terms of experience since all five starting varsity players will be returning next year.

A special thanks to our graduating seniors for their hard work in the tennis program. We wish them good luck in whatever they pursue."

"The 86 Lions tennis team won the first league title in our 20 year history of tennis. From there they went on to win the District 3 title.

The caliber of the participating members of the team may have been illustrated best by winning the league Sportsmanship trophy.

Quite a season which made us all very proud."

"This past track season was an overwhelming success. Although the team was composed of 25 underclassmen and only 4 seniors, tri-captains Tara Renn, Penny Erisman, and Cristie Painter provided excellent leadership and helped lead the team to the YCIAA Division "A" championship. Throughout the season, the girls continued to work as a team, striving for an undefeated season and the YCIAA championship. Not to be overlooked, quite a few girls stood out as superb, individual performers.

The outlook for the next season is bright. The team will only lose 2 scoring seniors. Hopefully, with good fortune, we can repeat as YCIAA champs in 1987."

"This season can be can be considered a success in more ways than record and awards. This year's seniors provided leadership and incorporated a sense of team unity and spirit that I have not seen on a Red Lion boys track team in quite awhile. In most cases, early season question marks concerning depth and scoring were ably filled by underclassmen who have come a long way since March. Their improvement and willingness to step in and do the job along with the solid leadership and example set by the seniors, made it a pleasure to work with this year's squad."

The boy's cross-country team, led by junior Jon Anderson, finished the season with a 4-5 record, although the team finished with their personal best time for our home course. Five out of six boys will return for next year's team which will provide us with quite a bit of experience. Hopefully we will be able to recruit at least 10 more boys to build up the team.

The girl's cross-country team completed their second undefeated season with a 6-0 record. Highlights of the season included dual meet wins over the second and third place teams of the State Championships, and Sue Miller's 13th place medal at States. We return four of our top runners for next year. We'll be looking for girls to fill out the team so we can continue our winning ways.

Candid — Bottom Right — The mighty Lion swing!

The Lion Varsity baseball team had a fine season in 1986, finished in second place in YCIAA East behind York Suburban. After a slow start in the exhibition season (2-4), in which the Lions lost a few close games to some good teams, they put some victories together in the league season for a fine 11-3 record. However, it wasn't good enough to catch York Suburban but it was good enough to earn the Lions a trip to districts.

Each year a team takes on a certain personality. The 1986 Lions developed their personality with determination, discipline and togetherness. They performed to the best of their ability and were mentally and physically prepared to meet the challenges of each game. They finished strong with wins over Reading and Dallastown to set the tone for next season.

This year the soccer league was divided into two divisions, our team being placed in the East Division, which was considered by far the stronger of the two. Although we had won only one game in our division, our boys played some very tough, competitive games against the division leaders.

This year's team was led by co-captains Shawn Hagner and Wes Smeltzer, both seniors. Improvement was shown by mostly all of the players during the season, which leads us to have higher hopes for next year's team with many players returning who have varsity experience.

Our games were played again on Nitchkey Field this year. We hope to be playing on our own new field for the 1987 season.

The girls' swim team got off to a slow start this year, but that didn't seem to stop their hard work and determination. It had many important assets — experience with many returning girls, a strong group of freshmen, and most importantly a whole team effort at practices and meets. The girls were always ready and willing to help and support any other team mate. Finally, after a season of dedication and hard work, the team won its ultimate victory over York Suburban. With only three first place wins, it was evident that a full team effort was put forth and that is something the girls should be proud of.

This season proved to have many pleasant surprises. As the season began we had a small group of boys who had very little swimming experience. We all realized that we did not have the ingredients to have a successful season in terms of a won/loss record. This team worked hard as individuals, and grew into a team that encouraged all members to work their hardest. During the second half of the season we not only performed above our expectations, but made many of the county teams aware of our actions. For these reasons we can be very proud of where we have come from and what we accomplished.

Not only does council provide students with a variety of entertaining activities, such as dances, dress-up days, and multi-media assemblies; but, they also try to meet the concerns of all students in areas of school-related matters. Council tries to impress upon all students that they have a direct responsibility for the everyday running of the school. Through their suggestions council can then make recommendations to the administration with hopes for change or improvement in their areas of concern. Finally, student council urges anyone with an interest in school government and a willingness to serve their school, to become involved in council, either in an executive position or as a class representative.

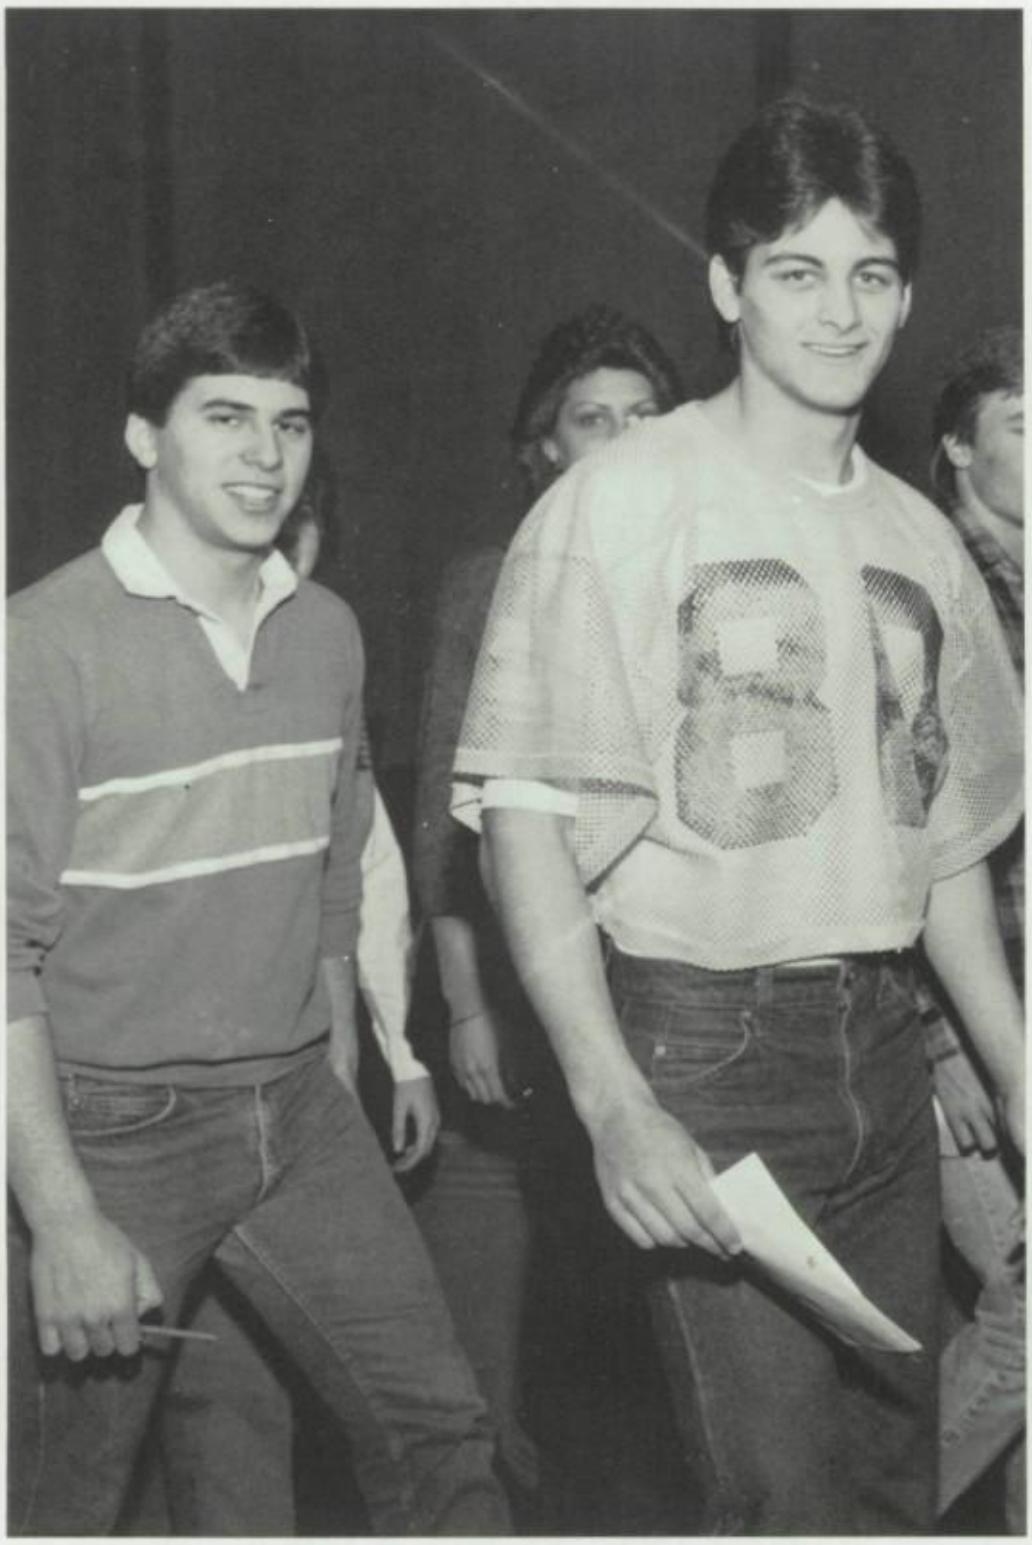
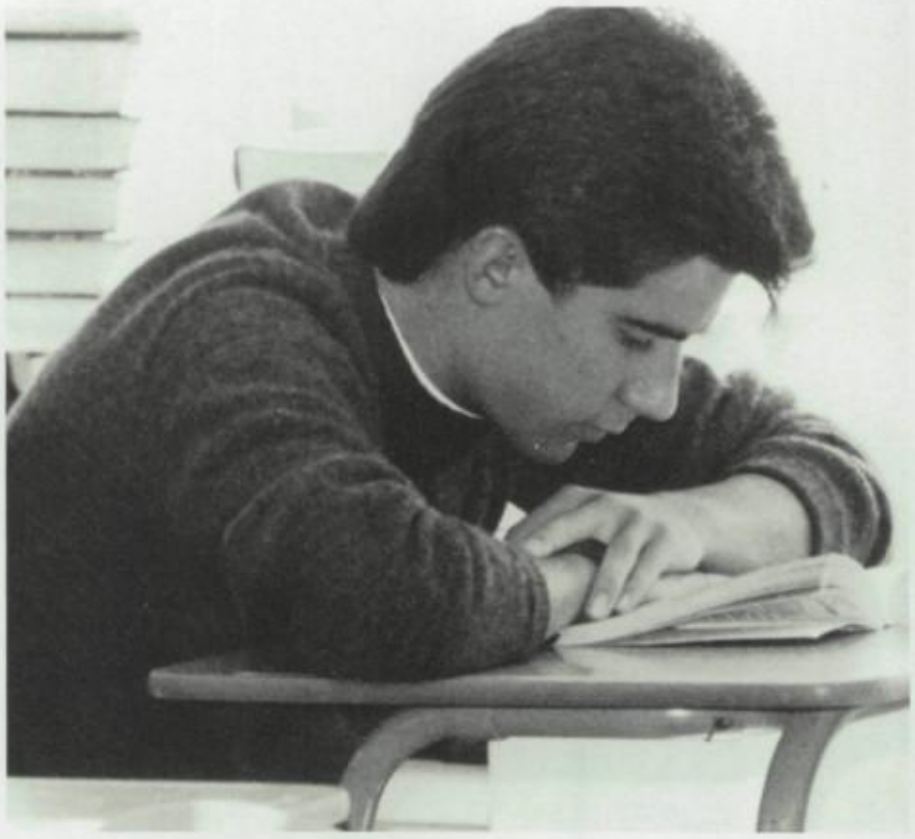
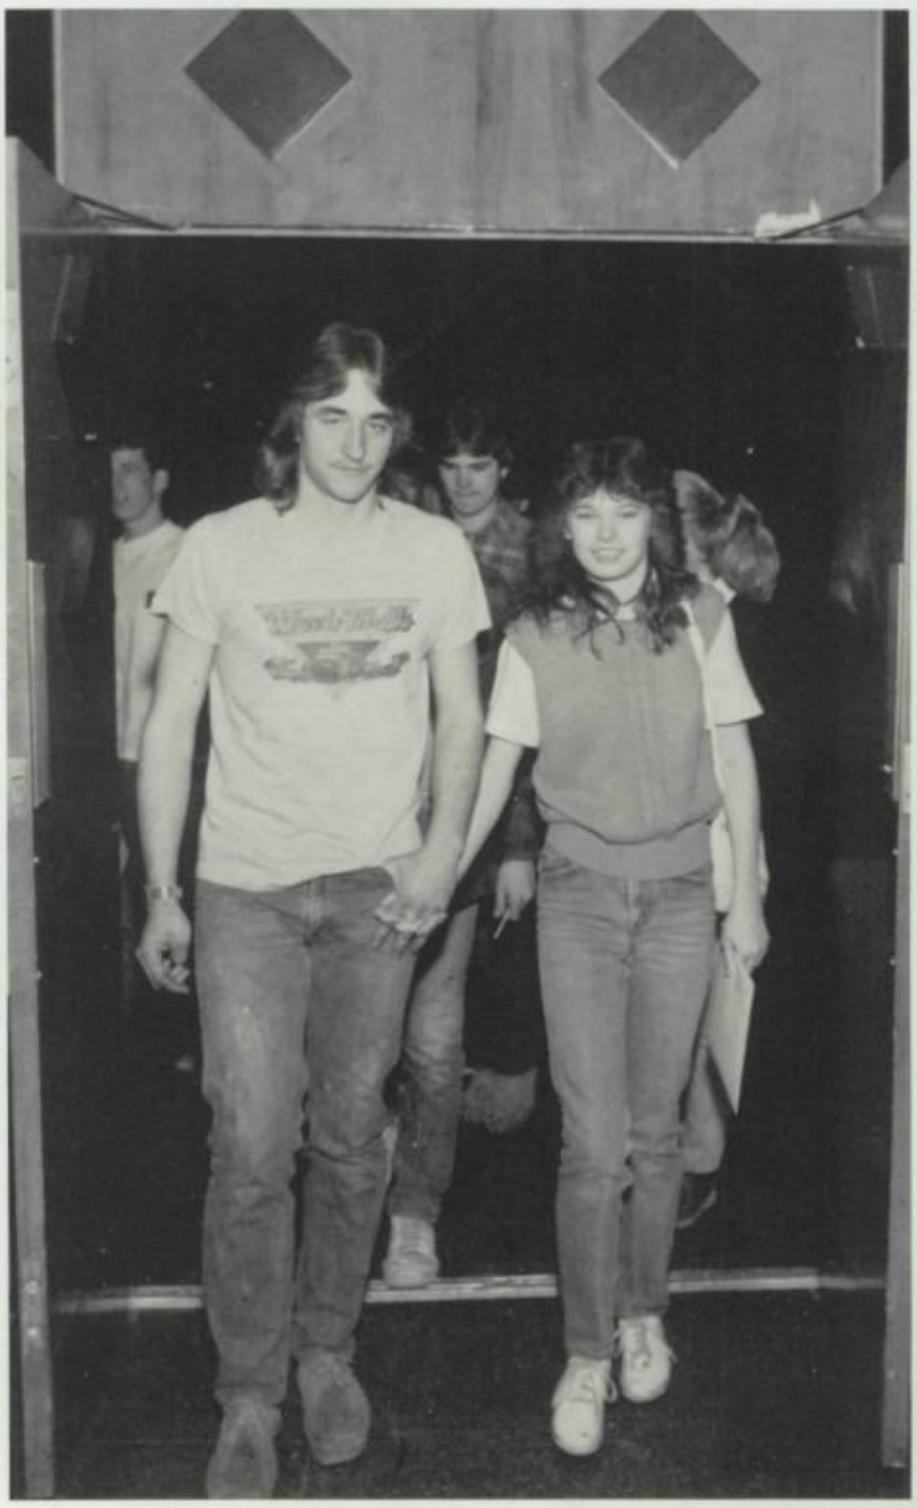
Dedication to Seniors: And Now it's time for this chapter in the book of life to end.







PARIS

WE TURN THE PAGE LOOKING TOWARDS THE FUTURE BUT YET NEVER FORGETTING THE PAST.

Moving on
into the world
of all both good and bad,
the time has come
to leave the nest
should we be happy or sad?
Twelve long years
of being one
and now how will we do?
Out in the world
so young and alone
can memories get us through?
Remembering all
the super times
we've shared through thick and thin,
a football game
a rival team
an awesome senior win.
Awards received
by cheerful ones
and plans made for the shore,
the highlights of
our high school years
will live forever more.
Our super girls
who won the spot
of best in all the county,
from Lady Lions
to volleyball
the glory forever in bounty.
A cancelled parade
A loved one lost
those times so quickly past,
the past is gone
the future's near
but memories always last.
It's all that's left
as we all know
those memories held so dear,
A year from now
what will we have? . . .
. . . the times from Red Lions years . . .

EDITOR'S NOTES

It's 12:32 A.M. on the eve of the final deadline and it looks as if there will actually be an edition of the Lion Yearbook. There are so many people to thank . . . Where do I begin? Jack, Eric, and Matt you three were the best three business managers ever. Matt I love those bulletin boards. When the rest of us were going crazy you made me laugh . . . (and laugh, and laugh). To the LION Sales Team, you gave us the reason to make this thing work. Thanks again. The senior section looks wonderful Gayle and Teresa. Special Events layouts were flawless thanks to Steph. Penny. The clubs were tough but together we were able to do it. Thanks for putting up with my pickiness. To Diane and Darci, the Sports Section is the largest and you did it! Congratulations! Robin I know you're sick of typing but it's over and there's no more proofreading to be done. Index, Underclassmen, and faculty your time spent has all been worth a million dollars to me. Beth the copy is wonderful this year! Thanks. Britt and Corey, I love you two. When I was in trouble you bailed the whole staff out. You're the best friends I could ask for! To everyone who had to face your grumbling teachers with a late pass. Thank-you! And to Mrs. LaRussa, your patience and reassuring smiles will probably be missed most of all. There will never be a more loved advisor or friend. Thank you from everyone. We'll miss you next year!

"Scottster,"
To this really weird kid that left me "head" of the Charles Manson fan club! Never forget the great parties we had at Geoff's & Smith's w/ you & I rolling around on Smith's floor! Never stop being yourself & never lose; your idolization of Nixon & Marilyn Monroe, your ear, your beard, your Magnum laugh, or your wacky hair style. Take it easy & enjoy life after you graduate
